A Checklist for Success!

Set Goals

How many plants can you sell? How much money do you need to raise? Have a friendly competitor!

Finding Customers

Ask your mom or dad to order a plant! Ask their friends. Ask them to take the order form to work.

Use the Internet

Send friends and family to your team's website to view products and place orders online. Be sure to use Facebook, email, and text.

Don't Forget

Don't forget your order form. Having an order form on hand at all times means no opportunities will be missed.

Most importantly... **HAVE FUN!!**
